## **FORBEARANCE AGREEMENTS REACHED WITH LENDERS**

### **Company in negotiations with lenders; seeking restructuring of indebtedness**

**Sacramento, CA, February 20, 2009 – Pacific Ethanol, Inc. (NASDAQ GM: PEIX)**, announced today that it has entered into two separate forbearance agreements as it attempts to negotiate new loan terms with its lenders. These agreements provide that the Company's lenders will refrain from exercising their rights and remedies through February 27, 2009, in respect of certain loan covenant defaults. Negotiations are ongoing with the Company's lenders, namely Wachovia Capital Finance Corporation (Western), with respect to its operating line of credit for Kinergy Marketing, and WestLB AG and the other lenders under the Credit Agreement dated February 27, 2007 with respect to its term loans and working capital lines of credit for its wholly-owned ethanol production facilities.

The Company has filed a Current Report on Form 8-K with the Securities and Exchange Commission describing the forbearance agreements in greater detail.

### **About Pacific Ethanol, Inc.**

Pacific Ethanol is the largest West Coast-based marketer and producer of ethanol. Pacific Ethanol has ethanol plants in Madera and Stockton, California; Boardman, Oregon; and Burley, Idaho. Pacific Ethanol also owns a 42% interest in Front Range Energy, LLC which owns an ethanol plant in Windsor, Colorado. Central to Pacific Ethanol's growth strategy is its destination business model, whereby each respective ethanol plant achieves lower process and transportation costs by servicing local markets for both fuel and feed. Pacific Ethanol has achieved its goal of 220 million gallons per year of ethanol production capacity in 2008 and plans to increase total production capacity to 420 million gallons per year in 2010. In addition, Pacific Ethanol is working to identify and develop other renewable fuel technologies, such as cellulose-based ethanol production and bio-diesel.

### **Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995**

With the exception of historical information, the matters discussed in this press release are forward-looking statements that involve a number of risks and uncertainties. The actual future results of Pacific Ethanol could differ from those statements. Factors that could cause or contribute to such differences include, but are not limited to, the ability of Pacific Ethanol to
